Glenda Moxham- Glenda owns the Lloydminster Lymphedema and Massage Clinic. She is a registered massage therapist and a certified lymphedema therapist-LANA approved. She is also a CLWT, an occupational therapist assistant and a physiotherapist assistant-LANA approved. Glenda joined LAS in 2017 and served in the capacity as secretary for the 2019-2020 term and also a member of the symposium committee.

Kathy Oar-Kathy is married to a farmer and lives near Melfort. They have 3 grown sons and one granddaughter. She worked as a CCA in Home Care and Long Term Care which she loved, but unfortunately has not been able to work for the last 4 years because of her lymphedema. She had breast cancer in 2007 and a year later was diagnosed with lymphedema. Compression, complex decongestive therapy and aquacise help to manage the lymphedema. Kathy joined LAS shortly after her diagnosis and finds LAS very helpful and supportive.
